

Stewardship Project: Oct 19th-28th- St. Jude- Donate \$1.00 and earn a Silly sock day on Oct 28th

Formal Observations: Contact your administrator to set up a time and date for your observation.

Week of 10/26:

Kelli DeLarue- Mrs. James

Lara Bettencourtt- Mrs. Joseph

Week of:

Jenn Prochaska- Mrs. Fontenot

Kaleigh Gravois- Mrs. James

Wendy Bridevaux- Mrs. Joseph

Code Blue-Lockout- Mrs. Joseph will be sending out information regarding the Code Blue.

No Buses on Election Day- St. George will not have bus service on Tuesday, Nov 3rd. We will begin dismissal 15 minutes earlier, at 2:30. Please adjust your schedule for this. Aftercare will be provided.

Grandparent's Day Letters- Each grade level can decide on a developmentally appropriate letter writing activity for grandparents. If writing sentences, the final product should be on lined paper. Each child will write two letters. We will set the mail (due) date for November 13th. All students should turn in their grandparents' addresses by Nov 9th.

Interactive Boards- COVID update- Teachers can start allowing students to use the interactive boards during lessons. The purpose of these boards is to use the software to make lessons more engaging for students. At the start of the year, we were concerned about transmitting germs by contact, however, if you use good judgement and have students sanitize before and after use, you can begin to use these boards to increase student engagement.

School day times/carpool- After careful review of our arrival and dismissal log sheet, it has been decided that we will return to our normal school hours of operation.

Arrival: AM Duty and homeroom teachers should arrive at 7:15, students can arrive at 7:20, carpool arrival ends at 7:45.

Dismissal: PM duty should arrive at 2:40, students are dismissed at 2:45, carpool ends at 3:10.

** This information will be given to parents in the all-call on Sunday and posted in Dragon Tales on Thursday. Please be patient as parents transition to the new times. It will take (the magic) two weeks till everyone adjusts.

Cafeteria Log sheet- The information gathered from the cafeteria log sheet is helpful in deciding where there are recurring issues and how we can address them. A new log sheet will be sent to you on Monday.

Important Date Reminders:

Nov 7- 2nd grade virtual retreat

Nov 9- Due date for Grandparents' addresses

Hallways- The Fire Marshall advised us to clear all hallways of desks and extra items. He explained that these items pose a tripping hazard for emergency crews (students and teachers) if the halls are engulfed in flames and smoke. He also warned that these items present an additional danger during a tornado by taking up safe space for students and increasing the potential for flying objects. Each hallway has different issues to address so Admin will discuss this with you over the next week or two.

Personal Days- must be approved at least two weeks in advance. This helps us plan for substitutes.

BIG gate- The big gate is for vehicle access. If you are going to the field and need to use a gate, please use the small gate and make sure it closes behind you.
