Grandparent's Day Letters- All students should turn in their grandparents' addresses by Nov 9th. We will set the mail (due) date for November 13th. We will have mailboxes set up around campus on the 13th for students to drop their letters in.

Progress Reports- half of the required number of grades for the 2nd nine weeks should be entered into Renweb by Nov 10th.

Extracurricular activities- If you are a moderator of an extracurricular activity, please email Mrs. Fontenot your name, the activity, and if you are or are not interested in holding your extracurricular activity beginning in January. We will then begin planning if and how these activities can be held.

Emails- Please try to avoid sending work emails that need responses to parents and peers late in the evening, early in the morning or on weekends. This is your time and it only encourages the recipient to respond and/or contact you at similar times. You can always write an email at any time and "Schedule Send" it during work hours.

Calendar Changes- All calendar items will go through Mrs. Joseph now. If you need to add, delete or change an event, Mrs. Joseph will approve the change and make the changes to the sgs calendar.

Student Attendance- The accuracy of this report each morning is vital to the nurses' and the front office's jobs. Teachers should only enter P for present and AU for absent unexcused. The office will make the change to the U when they receive the doctor excuse.
