The St. George Catholic School Parent and Student Handbook is a statement of the mission, philosophy, policies, and regulations that provide guidance and structure to our school community. Parents who seek admission of their children to St. George Catholic School enter a partnership, which includes a contractual agreement, with the school. Both parent and child thereby agree to accept the philosophy and rules of the school as stated in this handbook and in other communications from the school, all of which are in conformity with Diocesan policy. Failure to abide by the regulations and policies of the school handbook by either the student or his /her parent/guardian may result in the student's removal from the school. In all circumstances, the information contained in this handbook will take precedence over any other form of communication. As part of the contractual agreement there are explicit (expressed), and implicit (implied) expectations placed on the parent, student, administration, faculty and staff.

The principal reserves the right to amend the handbook and to change policies with proper notification of those affected.

Administration

As a Catholic institution, St. George Catholic School is ultimately owned and operated by the Bishop of the Catholic Diocese of Baton Rouge. This is the case of all Catholic Schools located in the Diocese of Baton Rouge. All Diocesan Catholic schools, including ours, are under the supervision of the Diocesan Superintendent of Schools, and is operated in strict accordance with provisions of the Administrative Manual published by the Diocesan Catholic Schools Office. St. George supports and enforces all Diocesan policies.

The Pastor is the ex officio chief administrative officer of the total parish education program. His role is one of leadership for Christ in the community. The pastor will delegate and share his professional responsibilities in the Catholic school with the principal. The principal is the administrative head of the school and is responsible for its effective operation as an educational institution within the total parish educational program.

The curriculum is composed of Religion, Language Arts (Spelling, English, and Writing), Reading and/or Literature, Mathematics, Social Studies, and Science. Textbooks, supplementary materials, educational media, and a variety of teaching techniques are used to teach the standards.

Students in PK will participate in PE, Music, Art, and Library. Students in Kindergarten will participate in PE, Music, Art, and Library, Guidance and Computer. Students in grades 1-5 will participate in PE, Music, Art, and Library, Guidance and Computer, and Spanish. Activity course offerings may include, but are not limited to Handbells, Band, Computer, Drama, Choir, Art, Music, Build It, Foreign Languages, Literature Circles, Robotics, Yearbook, Keyboarding and Sports.

All levels of classes maintain a challenging curriculum and will provide students with the tools needed to be ready for the next grade level and eventually high school. Curriculum is continually evaluated, and changes are made when appropriate.

Admissions

New Students

New student applications for grades PK-8 are available beginning November 1 prior to the year of enrollment. Applications are to be completed online and submitted with a non-refundable application fee. Copies of the following documents for the applicant should be uploaded with the application: picture, birth certificate, updated immunization record from Louisiana or state of residency, baptismal certificate (if applicable), first reconciliation certificate (if applicable), first communion certificate (if applicable), current and all prior report cards (if applicable), standardized test scores (if applicable), and a copy of the social security card. **Deadline for application submission is December 15.**

NOTICE PURSUANT TO LA. R.S. § 17:170(E)(2)-In accordance with Act No. 675 (HB 47 of the Louisiana Legislature's 2024 Regular Session) and La. R.S. § 17:170(E)(2), please be advised of the following: La. R.S. § 17:170(E)(1) provides that "No person attending or seeking to enter any school or facility enumerated in Subsection A of this Section shall be required to comply with the provisions of this Section, including any additional immunization or proof of immunity requirement adopted pursuant to the provisions of this Section, if the person is a distance learner or if the person or his parent or guardian submits either a written statement from a physician stating that the procedure is contraindicated for medical reasons, or a written dissent from the student or his parent or guardian."

The schools of the Diocese of Baton Rouge, Louisiana, admit students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at its schools. They do not discriminate on the basis of race, color, national and ethnic origin in administration of educational policies, admissions policies, scholarship and loan programs, and athletic and other school administered programs.

For students with disabilities or those who elect to register in a Catholic school for any reason (such as having been enrolled in an under-performing public school or having a change in residence) and for students who have an IEP or 504 plan from a public, private, or parochial school, parents must acknowledge that the IEP or other services that the student received in public, private, or parochial schools do not transfer automatically with the student. Because the student is a parentally placed student, FAPE (free, appropriate public education) no longer applies. The student may receive some IDEA services, which will be determined in the IDEA consultation process, but that is not guaranteed.

All applications are reviewed by the Admissions Committee and new applicants (PreK-8) will be screened prior to acceptance to determine developmental readiness and academic eligibility. Acceptance criteria will then be considered.

Student Acceptance Criteria for Enrollment

St. George School will comply in every way with the Diocesan Guidelines for admission of students as stated in the handbook of policies for the Schools of the Diocese of Baton

St. George Catholic School Parent and Student Handbook 2026-2027

Rouge. All new students accepted to St. George are accepted on a probationary status for one school year and must have a current immunization status on file. This includes a state of Louisiana Universal Certificate of Immunizations, Statement of Exemption from Immunizations, or a medical dissent from a physician.

All students currently enrolled at St. George School in Kindergarten through seventh grade will be given first priority for admission for the next school year. Due to the possibility of limited space, newly entering students will be accepted to St. George School according to the following criteria:

1. Siblings of students currently enrolled
2. Registered St. George Parish families actively participating * in all phases of stewardship (prayer, offering, ministry), with no children currently enrolled. Parents who are St. George alumni are given preference.
3. Catholic students transferring from a Catholic school who are active parishioners and now reside within the territorial boundaries of St. George Parish. Parents who are St. George alumni are given preference.
4. Registered St. George Parish families not active or participating in all phases of stewardship (prayer, offering, ministry) with no children currently enrolled. Parents who are St. George alumni are given preference.
5. Out of parish Catholic families with no children currently enrolled.
6. Non-Catholic families who allow their children to participate in the school's religious program other than the actual reception of the sacraments.

***DEFINITION OF AN ACTIVE PARISHIONER**

The pastor of St. George Parish is the final decision maker in determining who is/is not a member of St. George Parish.

The word "parish" comes from the Greek word "paroikia" meaning "a pilgrim people." When we register with a parish, we are saying that it is our intention to journey along the road of Life and Faith with a particular community of people by our active participation in its mission and vision. To be identified as an active parishioner of St. George parish, we ask school families to fulfill the following criteria for the last 12 months.

- Prayer-Regularly participates in the life of the church by attending Sunday Mass and receiving Sacraments.
- Offering-Maintain a twelve-month history of contributing through the Sunday offertory via envelopes or online giving.
- Ministry-Commit to a generous, sacrificial, and proportionate commitment of one's time and talent in service to the broad mission of the parish.

Tuition and Fees

Tuition rates and fees for St. George Catholic School are established annually by the administration in consultation with the School and Parish Finance Committees with the approval of the Pastor. St. George Catholic School has three tuition rates: IFS (Identified Financial Steward), NIFS (Non-Identified Financial Steward) and non-Catholic. The IFS tuition rate is for registered parishioners who are identified financial stewards and active parishioners of St. George Parish. The NIFS tuition rate applies to all other Catholic families who are not identified financial stewards as deemed by St. George Parish and/or who are members of other parishes.

School fees, in addition to tuition, include a registration fee, a student fee, which covers a portion of the cost of books, other school curriculum related expenses, Home and School Association dues, a security fee, and a technology fee. A per family building fee is assessed annually to cover current and future capital improvement projects. Eighth grade students are assessed an additional fee to cover the cost of special activities. A student's registration is not considered complete until their registration fee is paid. Registration fees are non-refundable. Students with delinquent tuition may not re-register for the following school year until all financial obligations are fulfilled.

There are two options for payment of tuition:

Pre-payment of tuition in its entirety in May or a payment plan through FACTS. The payment plan offers monthly, quarterly and semi-annual payment options.

Late or non-payment of tuition and/or fees:

A penalty charge will be added to unpaid accounts once the account becomes delinquent.

Advanced Math Courses

The middle school advanced math courses are designed to challenge the minds and meet the needs of high achieving students. The coursework is rigorous and incorporates high level analytical reasoning, creative thinking, and problem-solving strategies. Emphasis is placed on deep understanding of important concepts and the development of essential skills.

Advanced Math Placement is determined by the following criteria:

1. Quarterly grades, exam grades and yearly average
2. Standardized test scores
3. IXL benchmarks
4. Teacher recommendation based on grades, conduct, participation, work habits, and attendance

Student acceptance in these classes is determined on a yearly basis. Therefore, a student is not guaranteed placement in advanced classes solely based on their placement the previous year.

Starting with the Class of 2028 and beyond, all 8th-grade students at St. George will take Algebra I. Upon successful completion, students will earn high school course credit in 8th grade, placing them on a strong path toward advanced math (such as Geometry) when they transition to high school. Our teachers are fully prepared to provide differentiated instruction, offering targeted support for those who need foundational reinforcement while challenging those ready for accelerated learning.

Appeals

When a question arises concerning a policy or procedure, there must first be an effort to address the matter directly with the staff member it pertains to. If no resolution is found, then the matter should be brought to the Assistant Principal or Dean of Students. If no resolution is found, then the matter should be brought to the Principal. If no resolution is found, then the Principal, in consultation with the Pastor, will determine the appropriate course of action. Certain extreme issues should be brought directly to the Principal.

Attendance

Regular daily classroom instruction is important to ensure a student's academic progress. Students should attend school unless they are ill, or a serious reason arises. There are 176 scheduled instructional days and students must be present a minimum of 160 days to be eligible to receive credit for courses taken, regardless of whether the absence is excused or unexcused. Exceptions can be made only with the approval of the principal.

Absences

When a student is absent from school the parent must email the student's teachers AND report the absence to the school by going to the St. George website at www.st-georgeschool.com < Resources < Nurses' Office < Student Absence Reporting/ Doctor Note Submission < Complete the form and submit before 8:30AM.

Absences due to illness and emergencies will be considered excused once a parent has submitted an absence form and doctor excuse, when applicable, on the website. Notifications received more than 3 days after an absence will not be accepted. Absences due to vacation and non-school related activities will not be excused. Students who are absent for all or part of a school day due to an excused absence may not participate in extracurricular activities occurring on that day without the approval of the

administration. Students who have an unexcused absence may not participate in extracurricular activities occurring on that day.

A student who is absent for three consecutive days due to illness must upload a doctor's note on the school website after the third absence and prior to returning to school and contact the school nurse before returning to school.

Tardies, or Early Releases due to medical appointments will be excused if accompanied by a doctor's excuse. Excuses received more than 3 days after an absence will not be accepted.

Students away from school for more than three (3) hours will have their attendance recorded as ½ day absence.

Missed Assignments

An absent student has the same number of days that they were absent to make up their assignments and tests, but not to exceed four days total. (for example, if a student is absent on Monday and Tuesday and returns on Wednesday, they have Wednesday and Thursday to make up their work and turn it in on Friday) An "M" is placed in FACTS to denote an assignment has been missed and needs to be made up in the allowable timeframe. If a student does not complete the missed assignments in accordance with the plan, 10% will be deducted from each assignment for each day thereafter.

Parents can request materials and assignments to be sent home or picked up in the school office between 3:00 and 3:30 on the second day of absences. Each teacher must be contacted for this to occur. Materials and assignments will not be sent on the first day of an absence. No work will be sent home before an absence. If materials and assignments are not requested, the student will gather all missed assignments upon their return to school and follow the plan stated above to make up their work.

Early Release

Parents checking out students early must report to the school office and sign the early release book. **Students may not be checked out after 2:15 pm.**

Dismissal Changes During the Day

Students should have one primary mode of transportation that is used regularly for dismissal and communicated to the homeroom teacher at the start of the year. If the primary mode of transportation changes permanently, the homeroom teacher should be notified. A single/daily dismissal change is to be made only under special circumstances. Parents wishing to make a single/daily dismissal change to their child

(ren)'s dismissal plan must contact the school office (K-8) or the PreK office (PreK) by 2:15pm. Do not send single/daily dismissal changes to the teacher.

Tardies

Students who arrive at school after **7:43am** are considered tardy. Parents must accompany their child to the school office to obtain a tardy slip before going to class or mass. **If a student is checking in after 8:30 AM, the parent should submit an absence report to avoid being contacted by the school.** The parents of students accruing 4 or more tardies in a 9-week period will be notified. Eight or more tardies in a 9-week period will result in a meeting with administration.

Awards

Quarterly Citizenship Certificates are presented to two students (generally a boy and a girl) in each homeroom in grades 1-8 who live out Gospel values through their words, actions, and deeds.

Quarterly Academic Certificates are presented to students in grades 3-8 earning 3.5 or above. When determining nine weeks GPA for academic awards, letter grades are converted to quality points and these quality points are averaged. Activity class (6th-8th grade) is included, PE is not included.

Yearly SGS Awards are given at the end of the year to one boy and one girl from each homeroom. Students receiving this award exhibit strong character and have answered God's call to serve by demonstrating unselfish service to others. They also demonstrate the characteristics of love, care, concern, loyalty, and respect.

Yearly Academic Awards are given to students in grades 3-8 earning an overall average of 3.5 or above. For obtaining yearly GPA, final letter grades are converted to quality points and these quality points are averaged. PE and Activity are not included. Students also receive Scholastic Awards at the end of the year for earning all A's in a subject. A Recognition Award is given annually to those students who demonstrate improvement in a subject and/or a strong work ethic.

Birthday Celebrations

PK and Kindergarten are the only grade levels permitted to celebrate birthdays in the classroom with a special snack. See Health Policy regarding nut allergies. Special gifts/decorations are not allowed to be brought to school.

Bullying

4.9.2.7 Bullying (Diocesan Policy)

To reflect Gospel values and to ensure a positive and safe learning climate, the schools of the Diocese of Baton Rouge do not condone harassment, hazing, or bullying of any kind. All school community members are to be treated with dignity and respect. In that spirit, the prohibition against acts of harassment, hazing, and bullying applies to all Catholic school students, both on and off campus. It is recognized that harassment, hazing, or bullying can involve verbal, physical, written, or electronic communication.

Definitions:

Harassment is annoying or unpleasant behavior toward someone including but not limited to threats, offensive remarks, or physical attacks. Verbal harassment shall include derogatory remarks, jokes, or slurs and can include belligerent or threatening words spoken to one another. Physical harassment includes unwarranted physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating interference with normal schoolwork or movement. Sexual harassment involves unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

Hazing is a form of harassment that involves intentional, knowing or reckless act that induces pain, embarrassment, humiliation, deprivation of rights, physical pain, or mental discomfort. It is directed against a student for the purposes of being initiated into, affiliated with, holding office in, or maintaining membership in any organization, club, athletic team, or any other group. Culpability includes hazing practices mandated or voluntarily entered into by any party.

Bullying behavior is the repeated harassment and targeting of another with the intent to cause emotional, physical, or psychological harm.

Public defamation of a student, a parent, or an employee is serious whether it is done orally, in writing, via email, text messaging, or on the web and whether it is done on a school or a home computer during school time or after hours. St. George school's name, faculty names, and student names are not to be used in public or online formats including, but not limited to, websites, blogs, emails, and social media. Any individual found to be participating in any defamatory activity will be subject to disciplinary action by the school, which could include expulsion/termination.

Cafeteria Program

Breakfast

Breakfast is served from 7:20-7:35 am daily. Students may not be sent to breakfast after 7:35.

Cafeteria Lunch Program -

St. George Catholic School Parent and Student Handbook 2026-2027

The Diocesan Child Nutrition Program sets the annual cafeteria fee. Meal payments are completely cashless and all payments must be made online through MySchoolBucks. The St. George Catholic School lunch program is a federally funded program. Therefore, parents may send or bring food items that are prepared at home but may not bring "fast food" or soft drinks into the cafeteria. Students who wish to purchase a lunch or extras from the cafeteria must have their lunch account information clearly visible on their student ID. Students with dietary restrictions must have a dietary restriction form on file with the school.

Bag Lunch from Home: Students who do not participate in the cafeteria lunch program may bring a bag lunch from home. "Fast food" and soft drinks are not acceptable. Due to the nut allergy policy, students bringing bag lunches from home are seated in a designated area.

Food Allergy: All types of loose nuts are prohibited on the school campus including the school cafeteria. Food items containing nuts/nut particles/peanut butter MAY be eaten in the cafeteria ONLY. The St. George cafeteria will not serve items with peanuts or peanut products. Students with identified food allergies will be seated in a designated area separate from students who bring bag lunches from home. Students bringing bag lunches from home will be directed to wash their hands following lunch.

Cell Phones and Electronic Equipment

Students in grades 4th - 8th can bring cellphones to school for use after school hours for emergency purposes. Phones must be kept turned off and out of sight either in book bags or lockers. Students should not have a phone on their person while instruction is occurring. Phones that are used, observed or heard during the school day, before and after care, on field trips, during carpools or on the bus will be confiscated and a pink slip will be issued or disciplinary action will be taken, depending on the nature of the situation.

Additionally, wearable technology (Smart watches, Fit Bits), electronic games, cameras and pagers may not be brought to school.

All students and parents must sign the AUP, Acceptable Use Policy.

Child Protection

The Diocese of Baton Rouge requires that all volunteers successfully fulfill the Child Protection requirements. Anyone interested in volunteering at St. George Catholic School should submit their contact information on the school website

(Resources>Volunteer Certification) to complete the pre-check process for child protection. You will then be emailed information regarding the requirements. It is required that this process be completed prior to volunteering. Volunteers that have restrictions should not volunteer for activities that they are restricted from. Non-school aged siblings are not allowed on campus with volunteers.

Code of Honesty

Students and Parents are expected to respect a code of honesty regarding all schoolwork. Students should do their own work. Copying of test answers, academic practice, graded assignments, projects, reports, etc. and forgery are a violation of this code of honesty and may result in academic and/or disciplinary consequences. Plagiarism (a violation of copyright laws) is the copying of exact words, rephrasing or paraphrasing words of another author, using encyclopedia, magazines, books, and/or the Internet and other types of media and is a violation of the code of honesty.

At the beginning of the school year and periodically thereafter, students are reminded of the expected conduct prior to, during, and after tests are given. Posture and/or actions of students during test taking should not indicate any attempts to seek information for the tests or graded assignments. Students should prepare their desks according to the teacher's directions before the test begins. Students should remain seated and silent throughout the test (unless they have permission to ask the teacher a question).

Disciplinary/Academic consequences may include, but are not limited to, having the student redo the project, assignment, etc., reducing the grade, having the student retake the test/assignment, complete an alternate assessment, or receiving no credit or partial credit for work. Suspension from school and/or extracurricular activities may also result.

Communication

The official modes of communication between school and parents are the SGS Website, Dragon Tales, FACTS (all-call, messaging, and parent alert) and email.

Website

The St. George website is the school's primary method of communication. Parents are encouraged to visit **www.st-georgeschool.com** frequently. St. George also provides a mobile site for Smartphone users.

Dragon Tales

"Dragon Tales" is a weekly school newsletter that is emailed and texted (via the email provided in FACTS) to families every Thursday and is posted on the SGS website. "Dragon Tales" contains important information and should be read upon receipt.

FACTS

FACTS is a comprehensive online school management system and is one of the primary methods used for teacher/parent and school/parent communications. Parents are responsible for updating the information in FACTS on a regular basis as this information is used for important communications.

Directory

A directory of St. George students is available in FACTS. Families who wish for their information not to be published must indicate so at the time of registration.

Communication between teachers and parents is vitally important. Email is the most effective way to initiate communication with a teacher. It is important that parents notify teachers of any pertinent information, concerns, or suggestions.

Teachers are expected to communicate with parents regularly regarding student progress. Communication can be done through weekly folders (PK-5), telephone conferences, face-to-face conferences, FACTS, e-mail, and written notes. Teachers are expected to respond to parental communication within 24 hours of initial contact.

Grades PK-5 – Weekly folders are sent home with student's work and test results for parent review and should be signed and returned the next school day. In 1st-5th grade, grades are also posted in FACTS.

Grades 6-8 – Weekly grades can be found on FACTS. Tests may be reviewed with the teacher upon parental request.

The school's on-line grade book system, FACTS, allows parents and students access to grades and school information. Teachers update grades weekly. Parents of 1st-8th grade students will receive weekly grade reports via email notification. Parents are responsible for keeping abreast of their child's academic progress by accessing the gradebook regularly. Information concerning FACTS access is made available to new families at the start of the school year.

For each 9 weeks, parents (of students in grades 1-8) will be notified via e-mail that mid-quarter Student Progress Reports are available on FACTS. Student Progress

Reports communicate mid-quarter academic progress and should be used by parents and teachers to help track student progress. Printed report cards are also provided at the end of each quarter.

Conferences

Periodic scheduling of conferences is essential for effective communication between teacher and parent. These conferences provide an opportunity to discuss the students' academic progress and social growth. Formal conference days for all students are scheduled on the school calendar at the end of the first nine **weeks and midway through the third nine weeks.** Teachers and/or parents may schedule conferences at other times as the need arises.

1st Nine Weeks Conferences

Conferences are available and attendance is highly encouraged for all parents of students in grades PK-8.

3rd Nine Weeks Conferences

Conferences are available for all parents of students in grades PK- 8. However, conferences for students in academic jeopardy are mandatory.

Confidentiality

St. George Catholic School respects the confidentiality of the families it serves and the faculty/staff it employs. School officials will keep information confidential if no one's life, health or safety is at stake. Parents will be notified promptly of concerns relating to students' life, health, or safety.

Custody

St. George Catholic School abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, St. George Catholic School will provide the non-custodial parent with access to official academic records regarding the child. If there is a court order specifying that there is to be no information given, it is the custodial parent's responsibility to provide the school with a court-certified copy of the court order. If parents have custody agreements through the courts, it is assumed by the school that the parents will abide with such agreement and that the information entered in FACTS by the parents accurately reflects this agreement.

The school assumes no responsibility for compliance with such an agreement. It is imperative that custodial parents inform children of the arrangements set forth in court orders so that children are knowledgeable and feel comfortable informing school

St. George Catholic School Parent and Student Handbook 2026-2027

officials if they have a concern. To preserve the educational environment, custody issues must be settled amicably and should not involve the school.

Discipline - Diocesan Policy

4.9.2 Discipline

As prescribed by law, every teacher is authorized to hold every student to a strict accountability for any disorderly conduct in school or on the playground of the school or on any street, road, or school bus going to or returning from school, and during intermissions or recesses (R.S. 17:416).

It is the final responsibility of the principal to maintain discipline at each school and at any off-campus school activity. In cases where corrective action becomes necessary, the disciplinary measures taken should be positive, constructive, and directed toward serving educational ends. It should be clearly understood by the student and his parents/guardians that the purpose of all disciplinary action is to mold future behavior and to teach the student that education is a right qualified by compliance with rules and regulations.

Discipline/Character Development and Formation

The discipline philosophy at St. George Catholic School is based upon the Gospel values and the realization that the student must learn, internalize, and practice the values of the Catholic Church community. The guiding principle in any discussion of discipline and due process should be the desire to act in a Christian manner characterized by fairness and compassion. The aim is to develop a responsible person capable of making wise choices about behavior. This process requires patience and love on the part of teachers and parents. In an environment in which the student sees Gospel values in action, he or she will have the best opportunity to develop as an effective, caring, and responsible adult.

To accomplish this goal, St. George Catholic School uses Classroom Discipline Plans and a School-Wide Discipline Plan. It is expected that parents and students will act in cooperation with these Discipline Plans. Parents can contact the Teachers, Principal, Assistant Principals, or Dean of Students to discuss concerns or questions regarding the discipline program at St. George Catholic School. The Principal is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at his/her discretion. By working as a team, we hope to create an atmosphere in every classroom and throughout the school that enables teachers to teach and students to learn.

Classroom Discipline Plan- Rules, Consequences, and Positive Reinforcement

Teachers create and implement classroom discipline plans that include rules, consequences, and positive reinforcement for the students' classroom behavior. These plans will be discussed with the students and parents when the school year begins.

Grades 4-8 use conduct cards to record daily behavior and should be reviewed by parents on a regular basis. If a student has repetitive misconduct that disrupts the learning environment for other students, they will meet with the Dean of Students to determine if additional consequences are warranted.

The primary reward for good behavior is a sense of self-worth, inner peace, and the smooth flow of the school day. Good behavior results in the ability of students to participate fully in field trips, extra-curricular activities, and other special events. Periodically, individual classes or students will receive gold slips for commendable behavior that is above and beyond normal expectations. To promote and motivate positive behaviors and wise choices, two students from each homeroom (grades 1-8) are recognized each nine weeks for outstanding citizenship.

School-Wide Discipline Plan- Rules, Consequences, and Positive Reinforcement

School-Wide Rules

- Follow directions the first time given.
- Keep hands, feet, and objects to self.
- Always be respectful of self and others (No Bullying).
- Be respectful of school property and the property of others.
- Transition in an orderly and safe manner (accompanied by a teacher).
- Stay in the assigned area.
- Gum is not allowed on campus.
- Follow uniform and school student ID regulations.
- Use equipment according to directions.
- Do not play with food or share food (due to allergies).

School-Wide Consequences

Pink Slips: Students who disobey the school-wide rules will receive a pink slip, a documented **warning** about a behavior that needs correction. When given a pink slip, the student will initial the pink slip, and the pink slip will be sent home to be signed by a parent. Failure to get a pink slip signed will result in another pink slip. Please note: A student may receive a blue slip for a uniform violation, which is counted as a pink slip unless otherwise noted. Blue slips are sent home for a parent signature so that parents are informed of uniform violations.

The following procedure will be used in handling an accumulation of pink slips:

Time description: 5 instructional days

- 4 pink slips - Discipline referral sent home, and detention assigned by administration

Time description: One calendar month

- 7 pink slips - Discipline referral sent home, and detention assigned by administration
- 8 pink slips - Parent/student/teacher conference with Dean of Students and Administrative Team

Discipline Letter: A discipline letter is issued by the Dean of Students to address behaviors that need improvement. It is typically used with younger students in conjunction with a behavior reflection form. These forms serve as a means of notifying parents of those behaviors and partnering with parents to address the behavior at home and at school. Both of the forms should be signed by the student and parent and returned to the Dean of Students the following school day.

Discipline Referral: A discipline referral form is issued by the Dean of Students/administration for major infractions, failure to respond to previous consequences, and/or an accumulation of pink slips or discipline referrals. The referral form communicates to the student and to the parents the nature of the behavior and the consequence that will result. This can include detention, suspension, probation, mandatory parent conference, or expulsion. The student, the parent, and the disciplinarian/administration must sign this form. Failure to sign this form will warrant a meeting with the parents and the Dean of Students. An accrual of two referrals in a month will result in further disciplinary action.

Major infractions include, but are not limited to, disrespect, destruction of school property, plagiarism, dishonesty, cheating, inappropriate language/gesture, use of electronic equipment for communication and/or pictures, possession or abuse of controlled substances (refer to Diocesan Substance Abuse Policy), possession of weapons (real or toy), fighting, threatening a teacher or student, harassment, bullying, repeated minor offenses and failure to respond to correction and subsequent consequences. Misuse of the school uniform, including but not limited to tearing and writing, demonstrates disrespect and will not be tolerated.

Detention: A detention is one of the consequences that may result from a discipline referral. Detention is a scheduled time when a student meets with the Dean of Students to reflect on the behavior(s) that resulted in a discipline referral. The purpose of detention is to teach a student how to make wise choices about his/her behavior in the future. Failure to appear promptly for a scheduled detention will result in further disciplinary action.

Suspension: A suspension is one of the consequences that may result from a discipline referral. Suspension may include out-of-school, in-school, and/or suspension from

extracurricular activities. Suspension is a serious consequence and causes the administration to review the student's continued enrollment at St. George Catholic School.

A student who is suspended must report to the school office on the morning of the suspension to take any tests assigned on that day and meet with the Dean of Students to complete an assignment. The student is responsible for obtaining and completing any classroom assignments missed during the suspension. Students will only receive 90% credit of the total score earned on all assignments and tests scheduled on this day. Failure to turn in an assignment or appear for tests will result in a zero. Students may not participate in or attend extracurricular activities during the suspension. Before returning to class after a suspension, the suspended student will meet with the Dean of Students.

A student who engages in conduct, whether inside or outside of school, that is detrimental to the reputation of the school or inconsistent with the values of the school, may receive consequences by the school administration.

Probation and Expulsion: The issuance of a probationary period or expulsion is at the discretion of the principal in consultation with the Dean of Students.

School-Wide Positive Reinforcement

Students who do not receive a school-wide consequence in a calendar month are allowed to participate in Out of Uniform day during the first week of the next month (dates are on the school calendar). Students can wear Out of Uniform attire on this day (see the uniform policy for details). Students with good behavior are also given gold slips which are read aloud at morning assembly and are considered for the Citizenship Award and the St. George Award.

Emergency Dismissal

Catholic Schools in the Diocese of Baton Rouge typically follow East Baton Rouge Parish Public School closures for weather issues. In the event of an emergency, dismissal from school for weather or other hazardous conditions will be announced via a phone call, and/or email, and/or text message through FACTS. Please keep all contact information in FACTS updated.

Emergency Drills and Safety Procedures

According to Diocesan regulations, drills are practiced regularly. In the event of a real emergency, parents will be notified through FACTS by text, email,

or phone. It is imperative that all FACTS contact information is accurate and updated to receive these communications.

The SGS safety plan is posted near all entrances and exits throughout all of the school buildings and the detailed plan can be viewed with an administrator.

Extracurricular Activities

St. George Catholic School provides extracurricular opportunities for development of the whole child, school spirit, and to create a students' sense of community and belonging. While participation in extracurricular activities is encouraged, schoolwork and good behavior are considered the priority. Parents should guide their children in choosing extracurricular activities while considering family time and the individual needs of the student.

Students may be offered an opportunity to participate in activities such as: Quiz Bowl, Math Club, Student Council, Band and a variety of sports programs. Students should be prepared for their extracurricular activity by bringing all needed sports equipment, band instruments, or club materials to school with them.

Students who are absent for all or part of a school day due to an excused absence may not participate in extracurricular activities occurring that day without approval from administration. Unexcused absent students may not participate in extracurricular activities occurring on that day.

Field Trips

Field trips are considered part of the instructional day and are designed to correlate with teaching units and curriculum goals. Field trips are evaluated each year to determine their compatibility with these goals. A written official permission slip must be signed by a parent and is required before any student is permitted to attend a field trip. **Verbal permission is not acceptable.** If a field trip is cancelled, regular classes will be held.

Students are assigned to approved chaperones prior to the field trip and must remain with their chaperone throughout the field trip. Bag lunches cannot have items that "contain nuts" or "may contain nuts". Students must also arrive and depart on field trips with the school provided mode of transportation. Students are not allowed to take cell phones on field trips. For the privacy of all students, **cell phones are not allowed to be used by parents to take pictures of students on field trips. Cell phones should only be used in the event of an emergency, and the teacher should be notified immediately so safety procedures can be followed.**

A field trip is a privilege and not a right. Teachers, in consultation with administration, reserve the right to restrict or deny a student's participation on any field trip due to, but not limited to, poor academic performance or poor conduct.

Financial Policies

For St. George Catholic School to fulfill its religious and educational mission, it is necessary for the school to operate within a sound fiscal budget. The following policies regarding the collection of tuition and fees will be enforced.

Any accounts consistently late shall be reviewed monthly and referred to the administration for possible termination of school services.

Diocesan policy allows St. George Catholic School to withhold the administration of exams and participation in graduation and/or graduation activities until all accounts are current.

Those families with delinquent accounts at the time of registration for the next year will not be allowed to re-register until the account has been paid in full or made current.

Any fees, tuition, fines, late charges, NSF charges, or penalties due to St. George Catholic School may be pursued to the maximum extent allowed by law.

St. George Catholic School may withhold all records pertaining to a particular child/family until all monies owed to the school are paid in full.

Grades

Quarterly grades are comprised of assessments and academic practice.

Assessments

Assessments may be in the form of tests, graded assignments, projects, and/or teacher observation.

Academic Practice

Academic Practice is a form of homework and a check for understanding. It is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, supplement/enrich class work, and check for understanding. Since each student has different capabilities, it is difficult to denote a specific amount of time to be spent on the assignment. If a problem arises, the teacher should be contacted.

Timely completion of academic practice has a direct effect on a student's grades. Students are expected to be prepared for the school day, bringing with them all the needed supplies, academic practice, and projects.

Health Policies

St. George Catholic School maintains a First Aid Room staffed by a nurse.

Services are limited to maintaining health, medication, and emergency records and filing of required reports; contacting parents in case of student illness; responding to the ordinary bumps, scrapes and illnesses that are part of daily life; administering prescription medications for a serious chronic illness diagnosed by a physician (if a student takes any medication on a regular basis at home, parents should notify the school nurse); and providing hearing and vision screenings for 1st, 3rd, and 5th grade students.

As part of the school's registration/re-registration process, a parent or guardian must update their children's Health and emergency form and provide St. George School with a current immunization status on file. This includes a state of Louisiana Universal Certificate of Immunizations, Statement of Exemption from Immunizations, or a medical dissent from a physician. Please contact the school nurse at 293-1298 if you have any questions about immunization requirements.

NOTICE PURSUANT TO LA. R.S. § 17:170(E)(2)

In accordance with Act No. 675 (HB 47 of the Louisiana Legislature's 2024 Regular Session) and La. R.S. § 17:170(E)(2), please be advised of the following:

La. R.S. § 17:170(E)(1) provides that "No person attending or seeking to enter any school or facility enumerated in Subsection A of this Section shall be required to comply with the provisions of this Section, including any additional immunization or proof of immunity requirement adopted pursuant to the provisions of this Section, if the person is a distance learner or if the person or his parent or guardian submits either a written statement from a physician

stating that the procedure is contraindicated for medical reasons, or a written dissent from the student or his parent or guardian."

Services that are not available in our First Aid Room are:

- Diagnosing or performing invasive procedures.
- Lengthy monitoring of children who become ill at school.
- Administering medication on an "as needed" basis.

Students must be picked up within an hour of being contacted by the nurse. Children should be free of fever, vomiting, and diarrhea for 24 hours (without the use of medication, e.g. Tylenol, Advil, Motrin, or an anti-diarrheal medication, that would mask these symptoms), before returning to school. Students being picked up from school with these symptoms may not return until they have been free of symptoms for 24 hours from the time of pickup. Students absent for three consecutive days due to illness should submit a doctor's note through the school website and contact the school nurse before returning to school. If seen by a physician for a contagious illness, the student must have a note from the physician stating when the student may return.

All teachers will receive information on students in their classes with documented medical needs and explanations regarding these needs (i.e., symptoms, immediate emergency response, etc.)

Medication Policy:

Students are not allowed to have any medication, prescription or non-prescription, in their possession at any time on school grounds. Teachers and school administrators have the right to take any medication from the student and contact the parent for appropriate action.

If medication must be administered at school on a regular basis a **St. George Catholic School Parental Consent Form for Medication Administration** (available on the school website) must be completed and signed by the parent and the physician for each medication needed. The physician's portion of the form must include the child's name, diagnosis, name of the medication, time/frequency to be administered at school, dosage and length of time to be administered. This form must accompany the medication. Medication is only administered between 10:00AM and 1:00PM. A new physician's order is needed at the beginning of each school year. Verbal phone orders from physicians or parents cannot be accepted. Proper procedure for medication will be followed, or medication will not be administered. No exceptions will be made.

Prescribed medication must be in an updated container that meets acceptable pharmaceutical standards. The label must include the name of the student to be

administered medication, name of medication, the strength, and amount and time it is to be administered.

Each child will report to the First Aid Room at the prescribed time to receive medication from the school nurse or approved personnel between 10:00AM and 1:00PM. The medication chart will be checked to ensure proper medical administration.

Only a one-month supply of medication will be accepted at one time. Medicine kept in the school's nurses' office is not accessible after 3:10 PM. It is the parents' responsibility to inform all after-school activity moderators of their child's needs.

If medication must be administered during school hours, but not on a regular basis, the medication that is to be administered must be given by the parent or guardian who brought it.

PLEASE NOTE: The following medications will not be given in the First Aid Room: antibiotics, barbiturates, narcotics, or non-prescription medications, including cough drops.

Hydration/Water Bottle Policy

Students have access to water throughout the day. Water fountains are provided in all hallways and restrooms. If a student chooses to bring a water bottle to school, the water bottle must be plastic and transparent (no glass or metal). Water bottles can only be filled with water, unless they are packed in a lunchbox for lunchtime ONLY. Flavors and additives should not be in water bottles that are used in the classroom. Water bottles that allow for flavor packs to be inserted are not allowed for classroom use (ex. Cirkul)

Orthopedic Appliance Policy

Sometimes students may need to wear orthopedic appliances (like a cast, sling, brace, walking boot, crutches, or ace bandage) after an injury. These devices are used to support, align, or protect the body during healing.

To help keep all students safe:

- **Students wearing an orthopedic appliance will not be allowed to participate in recess, physical education (PE), or any physical activity during the school day. The Athletic Orthopedic Policy can be found in the Athletic handbook.**

If your child needs special accommodations, such as help moving between classrooms (e.g., using crutches or a wheelchair), using the bathroom, or completing classroom tasks (e.g., writing or carrying a backpack):

1. A **doctor's note must be uploaded** to the nurses on the school website. If you are unsure how to upload the document, please contact the school office for assistance.
2. A **parent or guardian must contact the school nurse** to discuss your child's needs.

Accommodations will not be provided until both steps are completed.

After the orthopedic appliance is removed:

- If your child still has any restrictions, a **new doctor's note must be uploaded** explaining what your child can and cannot do and when they are expected to return to full activity.

Head Lice

Head lice are a common occurrence among school-age children. It is spread through direct contact and the sharing of personal items. Parents must notify the school nurse if their child has lice. Students must be checked by the school nurse and found to be lice and nit-free before returning to class.

Food and Snack Guidelines

Our school is committed to the health and safety of all students. In an effort to meet the needs of those with severe and/or life-threatening food allergies, we ask for the cooperation and compassion of every member of our school community.

To demonstrate good stewardship and love of neighbor, we ask that parents and students follow these important guidelines:

- Notify the school of any diagnosed food allergy so an appropriate health care plan can be developed.
- The St. George cafeteria will not serve peanuts or peanut products.
- Do not send loose nuts to school at any time.
- All food brought to school must be in its original packaging with a readable ingredient label, unless it is fresh fruit.
- Foods labeled "Contains nuts," "May contain nuts," "Contains peanut/nut particles," or "Contains nut butter" may be eaten only in the cafeteria.

- Outside the cafeteria, food labels must not state "Contains nuts," "May contain nuts," "Contains peanut/nut particles," or "Contains nut butter." Foods labeled "Made in a facility that processes nuts" are permitted.
- Snacks must be in their original packaging with a label.
- Remind children not to share food or drinks.

By following these practices, we help create a safe and welcoming environment for all students.

Students with Food Allergies or Life-Threatening Medical Conditions

- Students with diagnosed food allergies will be assigned to a designated allergy-aware seating area during lunch.
- Students with diagnosed food allergies will not be given food brought by other students or parents unless written permission has been provided by the student's parent/guardian and approved by the classroom teacher and school nurse.
- PreK and Kindergarten students with food allergies must provide their own daily snack.

Parents of Students with Food Allergies or Life-Threatening Medical Conditions

- Parents/guardians must schedule a meeting with the school nurse before the beginning of each school year.
- Students may not attend school until required medical documentation and the nursing meeting have been completed.
- Parents/guardians must consult with the school nurse before off-campus field trips or special events and may be required to attend certain events or field trips.

Homeroom Placement

The faculty and administration consider the individual academic, social needs, and abilities of each child when making placement decisions for the upcoming school year. Because there are multiple sections per grade, the faculty works very diligently to balance each class based on an appropriate boy/girl ratio and abilities. For that reason, **parent requests for specific teachers are not accepted.** All faculty members are degreed, dedicated, and committed to St. George School, and we believe the students are best served by a balanced approach to homeroom placement. If your child has a specific educational need that the administration is not aware of, please notify the school.

Individual Needs

St. George Catholic School will provide reasonable accommodations to meet the needs of students by incorporating minor interventions in the classroom setting. For students to receive accommodations, they must have a current educational evaluation (within 3 years) and have met with the guidance counselor, teacher, and a member of the administration. Final decisions regarding accommodations and interventions are at the discretion of the school administration.

When an evaluation is required to assess special needs, the guidance counselor coordinates communication between the school and outside agencies. Parents should forward all necessary forms needing to be completed by the school, to the guidance counselor who will distribute them to the teachers. After these forms have been completed, the guidance counselor will forward them to the outside agency. The school requests that a copy of the final evaluation be sent to the guidance office. These evaluations are kept confidential.

Reasonable measures will be taken to meet the needs of all students. There may be times when the needs of the student outweigh the resources that are available at St. George Catholic School and if this should happen, another educational setting may allow the student to thrive both academically and socially.

Dyslexia Lab Services

The lab program aims to support students with a diagnosis of dyslexia or reading impairment from an educational diagnostician. Administration begins the process of placement in the lab. There is a fee for Dyslexia lab services.

The lab is designed to meet the students where they are and bring them up to grade-level in reading fluency, comprehension, writing, and spelling. Deficits are identified through diagnostic assessment, and progress is monitored at the beginning, middle, and end of the year. A multisensory and systematic approach is used to teach reading and spelling concepts.

Students who qualify meet in small groups of 3-4 students 2-3 times a week for a total of 100-120 minutes per week. Our lab teacher collaborates with the students' reading teacher to best meet the needs of each child.

Reading Resource

The Reading Resource Program is designed to enhance, remediate, and reinforce the skills and strategies taught in Kindergarten through Second Grade. The Reading Resource teacher utilizes a multi-sensory, systematic approach to provide support in a small group setting. This program is offered to students based on their performance

each nine weeks. Teacher observation, informal assessments, and various diagnostic tools are used to identify and recommend students for this program. The grade level teachers, Reading Resource teacher, guidance counselor, and administrators work together to monitor these students' progress as they participate in the program.

Guidance

The Guidance Program supports students by promoting a positive atmosphere based upon trust and respect for self and others. It aims to provide an understanding and acceptance of the student's strengths and limitations as well as the understanding and acceptance of responsibility of the student's choices and the resulting consequences.

The Guidance Counselor provides group guidance classes, behavioral counseling (small group or individual counseling), teacher consultation, parent consultation, teacher in-services, testing (new students and some special testing) and referrals to outside agencies when necessary. The guidance counselor also provides support to both students and teachers in all academic areas. If a child's needs cannot be met at school and outside counseling services are required by the school the parent is responsible for the cost of these services.

"D.A.R.E." (Drug Abuse Resistance Education) is a series of classrooms lessons, led by a police officer, taught to fifth grade students.

Instructional Materials

Textbooks, workbooks, and Chromebooks/iPads are purchased by the school. These instructional materials are expensive, and students are expected to handle them carefully. All books must be covered and kept free of pencil or ink marks. Books may not be covered with adhesive materials. Properly fitting cloth book covers may be used provided that a paper cover is underneath the cloth. Students will place their names on the cover of all books and workbooks. and, at the direction of the teacher, inside the front cover. If a book, workbook, Chromebook, iPad, or any other materials are lost or damaged the student will be expected to pay either replacement cost or a damage fee. Final report cards are held until damaged book fees are paid in full.

Library

The library is available for student use before school, during recess and lunch periods as well as during scheduled library periods.

Logos, Names, and Images

The school logo, all names, or images that represent St. George Catholic School and their likeness cannot be used without express permission of the principal. All requests must be submitted in writing and approved by the principal.

Lost Articles

Personal items such as book sacks, gloves, jackets, sweaters, caps and pencil bags should be clearly marked with the student's full name. Lost articles are kept for a limited period of time and can be located in St. Luke's Hall.

Off-Campus Behavior

Members of the St. George Catholic School community must conduct themselves both on and off campus in a manner consistent with the values and beliefs of our Catholic faith and with the mission, philosophy, policies, goals and commitments of St. George Catholic School as set forth in the Parent/Student Handbook. St. George recognizes that parents are the principal caregivers of their children, however, a student who engages in conduct, whether inside or outside the school, that is detrimental to the reputation of the school or disruptive to the educational environment, may be disciplined by school officials.

Violations of civil or criminal law or other conduct that causes discredit to St. George Catholic School or disruption of the St. George Catholic School community that demonstrates a disregard for the beliefs of our Roman Catholic Church and the policies of St. George Catholic School are considered serious infractions and make a student subject to corrective action, including suspension or expulsion.

The administration of St. George Catholic School reserves the right to discipline students for off-campus behavior that is not in line with behavior expectations of its students during the school day. The following behaviors are prohibited but not limited to:

- Attending, sponsoring, or participating in activities where alcoholic beverages or narcotics are sold, purchased, possessed, or consumed by minors.
- Committing or attempting to commit acts of vandalism that affect a person's life, health, or property.
- Using technology inappropriately such as, but not limited to, communicating in a manner that bullies another person, showing disrespect for self or others, using offensive language, and misusing social networking sites.

In all cases, communication among parent, student, and the administration will be required to determine a course of action. Decisions concerning consequences for this type of misconduct are made by the administration with the support of the pastor.

Parents as Partners

It is considered a privilege to work with parents in the education of their children and we are grateful that you have chosen to partner with St. George Catholic School. By natural law, parents are their children's first teachers, therefore, their role in education and their relationship to the school must be properly acknowledged and encouraged. Mutual respect and cooperation between parents and school authorities must be developed.

Parents and teachers are expected to work collaboratively in this process and be role models for the children. **Dividing authority between school and home or within the home will only teach disrespect of all authorities.** Mutual respect between parents and teachers will model good mature behavior and relationships.

Students need both understanding and discipline. At times, your child may perceive discipline as restrictive. However, there are boundaries and limits which provide a young person with both guidance and security. Parents are encouraged to let their child experience a logical consequence for an inappropriate action or behavior.

As partners in the educational process at St. George Catholic School, we ask parents:

- To use social media in a positive way, it is a great way to promote St. George school,
- To see that the student pays for any damage to schoolbooks or property due to carelessness or neglect on the part of the student,
- To notify the school with a written note when the student has been absent or tardy,
- To actively participate in school activities such as Parent-Teacher Conferences,
- To keep all addresses or important phone numbers updated in FACTS,
- To meet all financial obligations to the school,
- To inform the school of any special situation regarding the student's well-being, safety, and health,
- To complete and return to school any requested information promptly,
- To read school notes and newsletters and to show interest in the student's total education,
- To support the religious and educational goals of the school,
- To attend Mass and teach the Catholic faith by word and example,
- To support and cooperate with the discipline policy of the school,
- To treat teachers with respect and courtesy in discussing student problems.

Together, let us partner and support one another in helping your child to become the best person he/she can be. Parental cooperation is necessary for the welfare of students. If, in the opinion of the administration, parent behavior seriously interferes with the teaching/learning process, St. George Catholic School may require parents to withdraw their children from the school. This type of action would only be taken after other attempts at conflict resolution have not been successful. See "Student Withdrawal" section in this handbook.

Parent Organizations

Parent organizations play a vibrant role in the life of St. George Catholic School. Through participation in these organizations, members volunteer countless hours, which help the school offer a variety of programs and activities while keeping tuition affordable. You are encouraged to be a part of one or more of our parent organizations. For more information about St. George's parent organizations or obtain information about participating, visit the St. George Catholic School website or school office.

St. George Catholic School Advisory Council

The School Advisory Council serves as a consultative and advisory body to the Pastor and Principal. The role of the SAC is:

- To help with policy development, ensure Catholic Identity, and monitor financial vitality and facility needs, fundraising, and development of marketing and recruitment strategies.
- To provide positive support for the well-being of the administration, faculty, staff, and students.
- To help promote a positive and welcoming environment for our families.

Membership includes representatives from the Home and School Association, Athletic Association, Men's Club, four at-large representatives appointed by the pastor and the principal, one of whom serves as facilitator, pastor, administrative team, development director, and faculty representative.

St. George Catholic School Finance Committee

This committee reviews the financial report quarterly in consultation with administration concerning finance. The committee reports to parents annually. Members are appointed by the pastor and the principal.

St. George Catholic School Home and School Association

This association strengthens ties in the community among family, school, and parish members. All families become members of the association with their school registration.

St. George Catholic School Parent and Student Handbook 2026-2027

The Home and School Association Board members are nominated and elected by the parents. The Home and School Association provides homeroom parents for each class and sponsors a variety of activities. A major project of the association is the annual St. George Catholic School Fundraiser. A Home and School Volunteer Sign-Up form can be found on the St. George Website.

St. George Catholic School Athletic Association

This association provides a complete inter-scholastic and intramural program for St. George Catholic School students. The Athletic Association Board members are nominated and elected by the parents. The association receives funds through student fees, concession sales, and membership. It provides funds for facilities, equipment, officials, and some coaches.

St. George Parish Men's Club

The Men's Club assists the school and parish in corrective and preventative maintenance by providing volunteer manpower and financial assistance. Membership in the club is open to all men of St. George School and Church Parish.

Photographs and Videos

The school reserves the right to use student photographs and videos in publications and on the school website. Any parent who does not wish his or her child's photo or video to be used for these purposes must communicate this to the school during the enrollment or reenrollment process.

For the privacy and safety of all students and staff, parents are highly discouraged from publicizing pictures or videos of school events that contain images of campus and people besides their immediate family members.

Private Parties

Party invitations and any general information regarding private parties may only be distributed at school if sent to all students (all boys and all girls) in the class.

Collections of any sort for providing funding or party favors/souvenirs cannot be conducted at school.

Promotion/Retention Criteria

Promotion

Promotion from grade to grade at St. George Catholic School is based upon successful completion of the year's work. Students are required to attend a minimum of 160 school days to be eligible to receive credit for the courses taken. The principal in

consultation with the teacher makes the ultimate decision regarding promotion and retention.

Grade PreK and K — The school has established minimum standards of performance which the child must meet if he/she is to be promoted to the next grade level.

Grades 1-8 — Promotion of students in grades 1-8 is based upon successful completion of studies in the major subject areas. Successful completion of a major subject area means that a student must accumulate a minimum of four quality points in that subject area for the year, with at least two quality points earned during the second semester. Additionally, the student must also obtain a minimum yearly average of 60% for that subject.

Quarterly GPA includes core subjects and activity and does not include PE. Yearly GPA includes core subjects and does not include Activity or PE.

Retention

Students in Grades Pre-K and K may be retained at the discretion of administration in partnership with teachers, because of some deficiency in overall academic achievement, lack of maturity or social/emotional development, or failure to attend the minimum 160 required school days.

In grades 1st-8th, failure of one major subject will result in conditional promotion. The student must complete 40 hours of tutoring by a certified teacher who is approved by the administration or must attend an approved summer school program. Confirmation of successful completion of this remediation must be given to the administration by the last day of July in order for the student to be promoted to the next grade.

In grades 1st-8th, failure of two major subject areas within one school year will result in retention. Failure of the same major subject area in two consecutive years will result in retention.

Major subject areas considered for promotion in grades 1-3 are:

Religion
Reading
Math
Language Arts (English, Spelling, Handwriting)

Major subject areas considered for promotion in grades 4-8 are:

Religion
Reading/Literature
Math
Language Arts (English, Spelling, Handwriting)

Science
Social Studies

Religion

The school provides support to the parents in their task of educating their children. Prayer in the home, attendance at Mass with the family on Sunday, and life in a faith-centered family is the center of the child's religious training. Non-Catholic children will be expected to participate in all classes and liturgies to the degree that Catholic Doctrine permits.

Catechesis

Religion is considered of primary importance at St. George Catholic School. At all grade levels, Religious Studies is considered a major content area. All faculty members continue to study and learn their faith so that the students will have the best possible preparation for life in today's Church and world. St. George provides its' students with dedicated catechist for scheduled religious instructional time in grades K-8th. Grades in Religious Studies are based on student's participation in class and on performance on teacher prepared tests and examinations. Students in grades 5 and 8 participate in a program of religious education assessment. This instrument, Assessment of Catechesis Religious Education (ARK), is administered in November of each school year.

Sacramental Program

Sacramental programs at St. George Catholic School are designed to prepare the students for entry into the full grace life of the church. At the second-grade level, students are prepared for the reception of the Sacraments of Reconciliation and Eucharist. Because the child lives his or her faith in the community of the family, parents are expected to share in these programs. Children from other parishes who attend St. George Catholic School will receive First Sacraments in those parishes. Parents should contact their home parishes for information on First Sacraments.

Report Cards

Report cards are issued each nine weeks.

Search and Seizure - Diocesan Policy

The legal relationship between the Catholic school and the student (or student's parents/guardians) is one of contract law. Therefore, the Catholic school handbook of rules and regulations governing the school operations must contain this policy and the resulting disciplinary action for violation of the school rules in these areas.

A school/parish is a co-tenant of lockers and desks and reserves the right to search them at any time without notice.

School officials (2 or more) may search student(s), his or her belongings (i.e., including but not limited to locker, handbag, briefcase, and book bag), and vehicle driven by student, if one or more of the following exist:

The students are informed in writing (parent/student handbook) that searches may be conducted. The administrator has suspicion that contraband, illegal substances or objects or stolen property are being concealed or that a violation of a school rule related to the maintenance of discipline in the school has been committed.

Any vehicle driven to school by a student and is on campus, or on adjacent streets, is subject to search upon reasonable suspicion.

The search of a student(s), his/her belongings, shall be conducted by no less than two (2) school officials (at least one (1) of the same gender as the student when possible). The search shall be conducted with a minimum of embarrassment to the student(s), preferably in the privacy of an administrator's office. Strip searches shall not be conducted.

Standardized Testing

St. George Catholic School participates in the Diocesan standardized testing program. This test is administered to students in grades 3-8 to provide a measure of group and individual achievement. Results are provided to parents. STAR Reading and STAR Math are administered in grades Kinder-8th grade. These results are used internally as an additional tool for determining a student's progress.

Student School Identification

The student ID is provided for safety reasons during the school day, on field trips and for cafeteria purchases and allergy identification. The school ID must be worn at all times for these reasons. Lost or misplaced IDs will be reported to the school office and a replacement will be provided at the cost of \$5.00. This charge will be added to your FACTS account. Teachers will establish procedures in their classroom for distributing and collecting IDs at the start and end of each school day.

Student Records

A cumulative record, including a student's attendance, health records, and academic achievements, is kept on file for each student. Cumulative records are available to

parents upon request. When a student transfers to another school, the cumulative record or a transcript of the cumulative record will be sent to the receiving school upon written request by the parents.

Local Catholic High Schools request student information during the application process and St. George provides this information unless otherwise notified.

Substance Abuse Policy - Diocesan Policy

Aware of the ever-present danger of the illegal use of chemicals/alcohol by students, the school strives to provide preventative education and drug-free climate on campus, and at all school-related functions. The use of all chemicals, including tobacco, smokeless tobacco and tobacco products, alcohol, prescription or over-the-counter drugs, illegal drugs (here and after known as "chemicals") is prohibited. If a drug/alcohol treatment program is mandated, it is to be financed by the parent/guardian. If drug testing is mandated for suspicion, it is to be financed by the parent/guardian.

Tobacco, Smokeless Tobacco, or Electronic Nicotine Delivery System (Vape)

If a student is found to have in his or her possession any tobacco/nicotine product on school grounds or at any school-related function, appropriate action will be taken by the administration. Appropriate action may include, but is not limited to, suspension. Any tobacco/nicotine product found in the student's possession shall be confiscated.

Alcohol

If a student is found to be in possession of, or under the influence of alcohol on school grounds or at any school-related function, the alcohol will be confiscated, and the parent/guardian will be called. Appropriate action will be taken by the administration. Appropriate action may include, but is not limited to, suspension or expulsion.

Prescription or Over-the-Counter Drugs

If a student is found to be in possession of, to have provided or sold, a prescription or over-the-counter drug to another person on school grounds or at any school-related function, the item will be confiscated, and appropriate action will be taken by the administration. Appropriate action may include, but is not limited to, suspension or expulsion.

Illegal Drugs

An illegal drug is any drug in the possession of which is prohibited by federal, state, or local law. If a student is found to be in possession of or under the influence of an illegal drug on school grounds or at any school-related function, the parent/guardian and civil authorities will be notified immediately, and appropriate action will be taken by the administration. Appropriate action will include, but is not limited to, suspension or expulsion.

If a student is found to have provided or sold an illegal drug to another person on school grounds

or at any school-related function, the parent/guardian and civil authorities will be notified immediately, and the student will be expelled.

Drug Paraphernalia

If a student is found to be in possession of drug paraphernalia, appropriate action will be taken by the administration.

Look-alike and Imitation Products

If a student is found to be in possession of any substance or product that resembles, imitates, or is intended to give the impression of a chemical, appropriate action will be taken by the administration.

Drug Testing

Drug testing alone is not a substance abuse program. But as part of a comprehensive substance abuse program, testing can be an effective deterrent to substance abuse and an important tool to help educators identify students who need help. Drug testing will be mandated for suspicion of possession or use of chemicals. If a drug/alcohol treatment program is mandated, it is to be financed by the parent/guardian.

Technology – Diocesan Policy (See Acceptable Use Policy)

Educational programs governed by the Catholic Schools Office require the ethical use of the Internet and related technologies by all employees, volunteers, and students as set forth in the Acceptable Use Policy for the use of the Internet and related technologies. Access privileges may be revoked, school/parish disciplinary action may be taken, and/or appropriate legal action may be taken for any violations that are unethical and/or may constitute a criminal offense. The use of the Internet and related technologies must be in support of education and research and consistent with the educational objectives of the Diocesan school district.

Artificial Intelligence (“AI”) refers to computing systems and tools that simulate human decision-making processes or perform tasks that typically require human intelligence. These tasks include, but are not limited to, problem-solving, decision-making, language understanding, visual perception, and more. AI systems include, but are not limited to, chatbots, language learning models, machine learning algorithms, and automated tools.

The School recognizes the great potential for AI as a tool for brainstorming ideas, gaining insight, dissecting complex texts, and improving writing skills. However, AI also presents potential risks and ethical implications. Regarding AI and its School-related use, the School adheres to the latest version of the Diocese of Baton Rouge Catholic Schools Office’s Technology Acceptable

Use Policy, which can be found on the school website. The “AUP”, which provides, in pertinent part:

The use of AI within the School or for any School-related purpose is not allowed except, and only to the extent, as expressly authorized by an assigning teacher for a specific purpose. Any unauthorized use of AI is expressly prohibited. Only under the assigning teacher’s express approval, and within the limited bounds of that approval, are students allowed to use AI tools for any type of assigned work. For clarification, an assigning teacher has no duty or obligation to allow any use of AI by their students.

Telephone Messages

Students may not use their phones on campus without permission. If a student needs to be informed of something during the day, a message can be left with the school secretary. Information about dismissal changes should follow the dismissal policy under Attendance<Dismissal Changes During the Day

Transfer and Withdrawal Procedure

Student Withdrawals - Diocesan Policy

Parent and student cooperation is necessary to ensure the orderly functioning of St. George Catholic School as well as the furtherance of the student's education. If parental cooperation is not forthcoming, the student's continued enrollment at St. George Catholic School must be reviewed in order to ascertain if the student's presence in school serves the best interests of the school and the student. After opportunities have been provided for reasonable and fair dialogue among parents, administration, and pastor, and the pastor and administration deem the parents no longer honor the expectations found in the school's contractual agreement, the parents shall be directed to withdraw their child/children from the school.

Parents wishing to have their student transferred or withdrawn from St. George School must provide written notification by letter or email to the principal, admissions director, and accounting manager at least one week in advance if possible. Written notification must include the date of transfer/withdrawal, reason for transfer/withdrawal, and name and address of new school. Prior to the release of final records, all financial responsibilities must be met, and all school-owned books and materials must be returned to the teacher. Upon request from the student's new school and after a release form has been signed by parents and all check-out procedures are complete, the student's cumulative record or transcript of the cumulative record will be forwarded to the new school.

St. George will only complete recommendation forms for students who are applying to Catholic high schools as part of the high school application process.

Transportation

Students should have one primary mode of transportation that is used regularly for dismissal and communicated to the homeroom teacher at the start of the year. If the primary mode of transportation changes permanently, the homeroom teacher should be notified. A single/daily dismissal change is to be made only under special circumstances. Parents wishing to make a single/daily dismissal change to their child(ren)'s dismissal plan must contact the school office (K-8) or the PreK office (PreK) by 2:15pm. Any daily bus changes must be submitted to the office in the morning and approved by the office. Do not send single/daily dismissal changes to the teacher.

Bus

General Guidelines: St. George Catholic School students who ride the school bus are subject to the authority of the bus driver when students are on the bus. The bus driver is responsible for the safety and behavior of the students on the bus and has been directed to report any infraction of school bus rules to the administration.

Service Guidelines: East Baton Rouge Parish provides transportation for students who reside within the St. George Church parish boundaries. Bus and stop assignments are determined by East Baton Rouge Parish Transportation and not by St. George Catholic School.

If a permanent change is needed in the bus or stop assignments, a request must be made in the school office. A request form will then be filed with the office of East Baton Rouge Parish Transportation for approval. Only with the approval of East Baton Rouge Parish Transportation can a change be made on a bus or to a stop assignment. St. George Catholic School cannot make changes in service. The school bus driver cannot make changes in service.

On the rare occasion when a student is to get on or off the bus at a stop other than the assigned stop or to ride a bus other than the student's assigned bus, the student must be a registered bus rider and present to the bus driver a written note signed and dated by the parent and the school principal or designee. Space limitations may prevent a student from riding a bus other than the student's assigned bus.

School Bus Rules and Regulations: Regulations are written and enforced for the safety of the students riding the school bus. A school bus with undisciplined passengers is a hazardous bus. The misbehavior of the student can lead to accidents. Serious infractions of bus rules may lead to the administration's refusal to admit the child on the bus. In these cases, the administration will decide when and if the child will again be admitted. Less serious infractions, which are reported by the bus driver, will be dealt with accordingly.

Carpool

The following procedures, developed in the interest of safety, are in effect for drop-off and pick-up of children who arrive or depart by car. While in the vehicle, the child must remain buckled in the seat until the vehicle comes to a stop. The students should not hang out of windows or sunroofs. Louisiana Law states that all school zones in

Louisiana are hands-free zones. It is illegal to hold your cell phone and talk on the phone while driving in a school zone.

A carpool map is available on the school website. Changes may occur due to “no bus” days or “early dismissal days”. Changes in carpool procedures will be communicated through Dragon Tales and the school website. In all circumstances, grade-level assignments to specific drop-off/pick-up areas will remain the same.

There are two carpool drop-off and pick-up areas.

Back Carpool Area (see map and instructions on school website): Students in grades PreK-1, their OLDER siblings, and other students who ride with them are assigned to the back (PK carpool) area for ALL arrival and dismissal schedules.

Gym Carpool Area (see map and instructions on school website): Students in grades 2-8 and other students who will ride with them are assigned to the gym for ALL arrival and dismissal schedules.

General Drop-Off Instructions: Students can be dropped off in the carpool lines between 7:20 and 7:43 AM (the Before Care program has earlier drop off times). Students should only exit the car when a school employee is present. If a school employee is not present after 7:43, a parent should exit the car with the student to sign them in at the school office. Students who are not enrolled in Before Care but are dropped off before 7:20 am will be sent to Before Care. The charge for this service is \$3.00 per day per student.

General Pick-Up Instructions: Parents must clearly display a sign in their front car window identifying their child's full name and grade. Students who are not enrolled in the After Care Program but remain on the school campus 25 minutes after the dismissal bell will be cared for by After Care. An \$8.00 fee, per child, per day, is charged for this service.

Walkers

Families that live within walking distance of St. George can request to be walkers. Parents are responsible for contacting the principal to make a walker request. Parents of walkers will walk their child to the gate by the PreK building at arrival and meet their child at the same gate during dismissal. During inclement weather, walkers should be picked up in the appropriate carpool line. If a parent of a walker must drive their child to school, then they are expected to follow the carpool rules.

Uniform

Students are required to wear the St. George Catholic School uniform and **student school ID**. Uniforms may be purchased at Inka's, School Time, or Young Fashions. Adherence to a specific dress code is considered a basic form of discipline and applies to all students at all levels. Our uniform policy is rooted in the belief that how students dress for school

St. George Catholic School Parent and Student Handbook 2026-2027

reflects respect for themselves, their classmates, and the learning environment. Parent cooperation is necessary. It is expected that students will attend school each day in a full uniform that is clean and fits properly.

Weapons on Campus (Diocesan Policy)

St. George is committed to protecting the safety and welfare of employees, students, volunteers, and visitors in the workplace and does not tolerate acts of workplace violence committed by or against employees, students, volunteers or visitors. As part of that commitment, the School believes that deadly weapons or destructive devices have no place in workplaces and establishes a weapons-free environment for its campus and all its workplaces. The School complies with all federal and state laws and regulations regarding workplace and school violence and use of weapons on the campus, including any allowances for storing firearms in locked private vehicles in parking lots.

State law states that it is illegal to possess firearms or dangerous weapons on school property, at school functions, or within firearm-free zones. These zones include the school campus, areas within 1,000 feet of the school boundary, and school buses. Possessing these items in such areas constitutes illegal carrying of weapons.

Prohibited weapons include but are not limited to: firearms, illegal knives and knives with a blade longer than 5 inches, explosives or objects which can be used as weapons and are not necessary equipment assigned for use in one's job. If the School reasonably believes that students, volunteers, or visitors possess any prohibited weapons or devices, the appropriate law

enforcement authorities will be immediately contacted and consulted with. Exemptions to this policy are granted to federal, state, and local law enforcement authorities as authorized by federal, state, and local laws and regulations.

Volunteers and visitors who feel imminently threatened by any violent act or who observe any possible act of workplace violence should immediately report this to the Principal, who will immediately respond to any observed or reported incidents of workplace violence or threats of workplace violence. Federal, state, and local law enforcement authorities can be contacted in response to any such incidents and as required by federal, state, and local laws and regulations. The School treats all such information reported as confidential and only releases such information: to appropriate federal, state, or local law enforcement authorities as necessary to protect workplace safety; as required by federal and state law and regulations; or in response to court orders.

Anyone violating this policy will be removed from School premises as quickly and safely as possible and shall remain off School premises pending the outcome of an investigation. Violations of this policy will lead to corrective action up to and including termination of employment and/or referral to appropriate law enforcement agencies for arrest and prosecution.
