

St. George Catholic School
Asthma Checklist

Student Name _____ DOB _____ Grade ____

Parent/Guardians,

Children that need to utilize their rescue inhaler during the school day, will go home to be properly monitored, however they may return to school the next morning if they are feeling ready. All inhalers must be brought to the school by an adult and be provided in the original container with a label. Additional medication for after-school activities will need to be provided for those events. Medication at school is not accessible after 3:10 p.m. All medication not picked up on the last day of school will be discarded.

Checklist for parent use: Please initial those that apply to your student:

- ☐ _____ (initial) I will discuss my child's inhaler needs with my child's teachers, including P.E. teacher.
- ☐ _____ (initial) I will inform my child's bus driver ☐ _____ (initial) my child does not ride a bus
- ☐ _____ (initial) When my child is in a club, staying after school, involved in sports or other activity outside of the building, I will inform that event coordinator. I understand that medication at school is not available after 3:10 p.m.
- ☐ _____ (initial) I have supplied the school nurse with completed and signed medication orders
