

St. George Catholic School Instrumental Music Department

“Inspiring Enthusiasm and Excellence Through Music Education”

2022 - 2023 SGS BEGINNER BAND / 4th Grade Registration Form

The *St. George Instrumental Music Department* will offer Beginner Band instruction to students in 4th grade. Classes will be offered once a week, Thursday, during Classroom Music. Extra before school practices (*TBA*) will be offered in preparation for our full band concert performance. St. George Band Director is Mrs. Jan Gerbrecht Dupre, jan.dupre@sgschoolbr.org, (225) 293-1298.

All students will have the opportunity to try instruments before making their selections. At the beginning level, five basic band wind instruments will be introduced: flute, clarinet, alto saxophone, trumpet, and trombone. Percussion and electric bass will also be introduced. The number of students in the percussion and bass sections will be limited. Students for these sections will be accepted by director recommendation after instrument try-outs. Beginning percussion students will be required to have a bell kit/mallets or keyboard and a practice pad/drum sticks for home practice. Beginning electric bass players will be required to have their own instrument, a 3/4 junior size electric bass (*not a full size bass*).

Parents and students are asked to make a commitment for at least a year so students can develop basic skills, and the Band Director can make an adequate evaluation.

A successful band program depends on many people. **Students** must put forth the necessary effort by practicing at home, and attending classes with instrument and music. **Parents**, encourage your child to set goals so that she/he is prepared to take advantage of musical events offered: school concerts, high school band nights, special programs, honor bands. We commend you for making this investment in your children’s music education and future!
